55 e registration + 2 days accomodation

25 e without accomodation

TODAY

1. Presentation
2. Debate
3. Pub

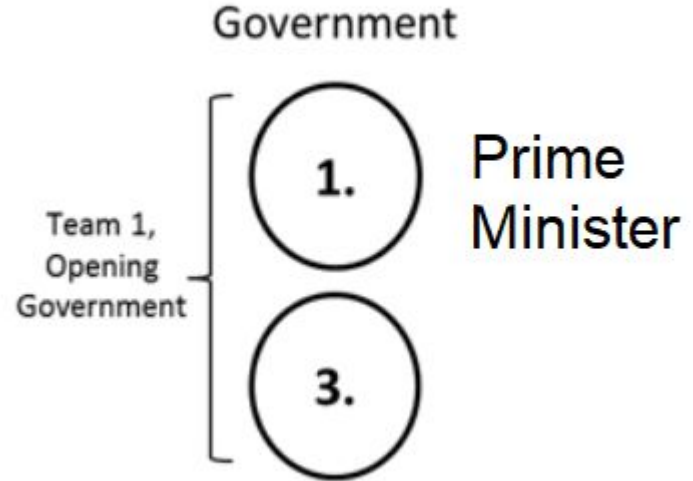

PRIME MINISTER

1. Role Fulfillment
2. Definitions
3. Framing

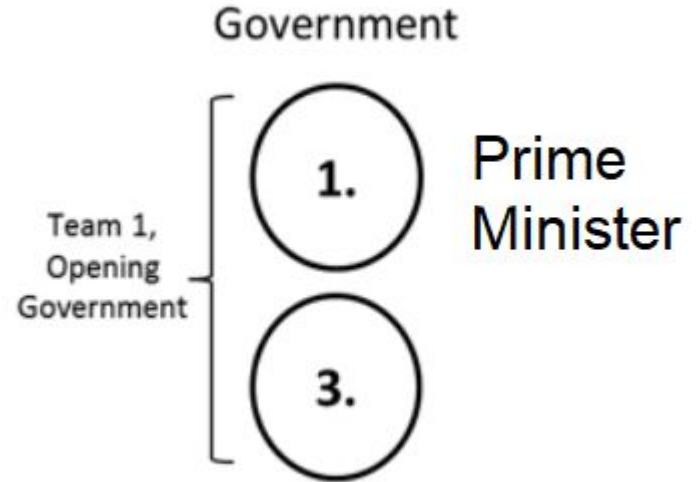

PRIME MINISTER

- Defines the PROP case
- Presents a mechanism
- Presents main arguments

PRIME MINISTER

- Frames the debate (+other teams)
- Problem in status quo, how fixed by motion

DEFINITIONS

- An understanding of the motion
- Needs to be relevant to the motion
- Should not unfairly restrict/shift the debate (common sense)

MECHANISMS

- Needed in Policy Motions (THW)
- How would your team do X
- This House Would disincentivize smoking

FRAMING

- The context of the debate
- What are the people/problems like?
- Problem in status quo
- how fixed by motion?

EXAMPLES

“This house regrets nationalism”

Definition = What is nationalism?

Framing = Problems caused by nationalism,

How would the world be better without nationalism?

EXAMPLES

“THW legalize prostitution”

Definition = What is prostitution?

Mechanism = How, what? Only selling?

Advertizing? Timeframe? Taxation?

EXAMPLES

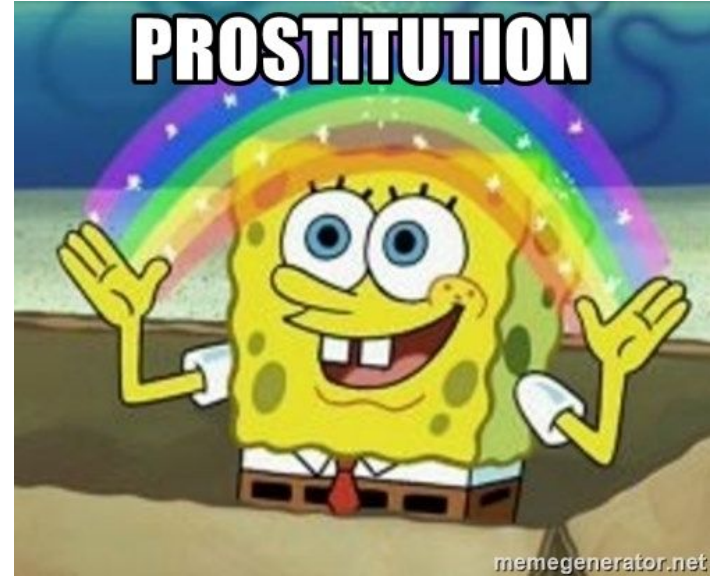

“THW legalize prostitution”

Problem = e.g. Safety of sex workers

Framing = Why are sex workers unsafe?

What kind of environments do they work in?

What kind of people buy sex...

EXAMPLES

“THW classify childhood obesity as a form of child abuse”

Definition = Obesity, and why it is like child abuse

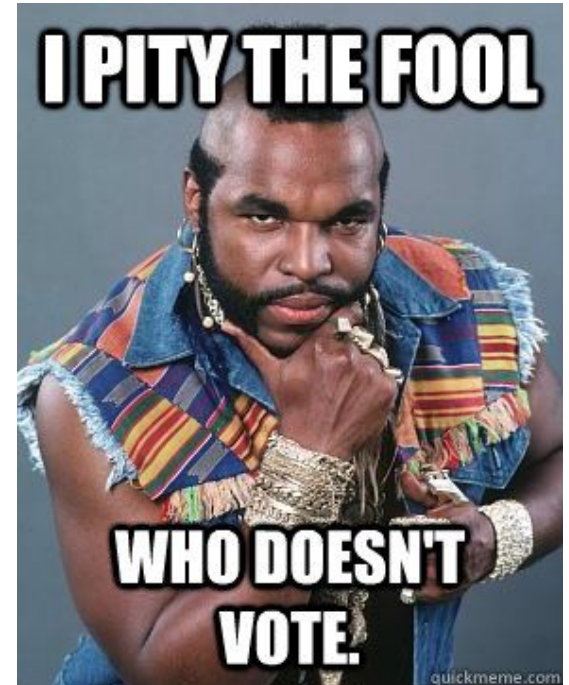

Problem = Why is obesity bad? What are the effects?

Framing = Why are children obese? What are their parents like?

Mechanisms = How do we act based on it?

MOTIONS

1. THBT foster children should be placed into families with similar backgrounds (race, religion, etc)
2. THW stop state funding of the arts
3. THS the existence of a "social credit system"

SOCIAL CREDIT SYSTEM

A system of rating every citizen based on government data regarding their economic history and social behavior. Ratings impact one's ability to carry out economic transactions, such as seeking employment, renting or buying property.
